The Delaware River and Bay Authority (herein sometimes called the "Authority"), a body politic and an agency of government of the State of Delaware and the State of New Jersey, for value received, hereby promises to pay, but solely from the funds provided therefor as hereinafter set forth and in the manner hereinafter provided, to the registered owner hereof named above, or registered assigns on the Maturity Date set forth above (or earlier as hereinafter referred to), upon the presentation and surrender hereof, at the principal corporate trust office of Wilmington Trust Company in the City of Wilmington, Delaware (the "Bond Registrar"), in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, the Principal Amount set forth above, and to pay interest on such Principal Amount from the Dated Date set forth above at the Interest Rate stated above per annum until said Principal Amount is paid, such interest to the maturity hereof being payable semi-annually on the 1st day of January and July in each year commencing January 1, 1994, solely from such sources, from the date hereof or the January 1, or July 1 next preceding the date on which this bond is authenticated, unless it is authenticated on January 1, or July 1, in which event from such date, at the Interest Rate set forth above. The interest so payable and punctually paid or duly provided for on any Interest Payment Date will, as provided in the Agreement hereinafter referred to, be paid by wire transfer or by check mailed to the person in whose name this bond (or one or more predecessor bonds, as defined in the Agreement hereinafter mentioned) is registered at the close of business on the regular record date for such interest, which shall be the June 15 or December 15 next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered owner on such regular record date, and may be paid to the person in whose name this bond (or any predecessor bond) is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee hereinafter referred to, notice whereof being given by the Trustee by mail to the registered owners not less than 10 days prior to such special record date, or may be paid at any time in any other lawful

manner not inconsistent with the requirements of any securities exchange on which the bonds of this series may be listed and upon such notice as may be required by such exchange, or as more fully provided in the Agreement. Such payment of interest shall be by check mailed to the registered owner at such owner's address as it appears on the bond registration books of the Authority maintained by the Bond Registrar and shall be made in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts.

This bond shall not be deemed to pledge the credit of the State of Delaware or the State of New Jersey or of any agency or political subdivision thereof or to create a debt or liability of the State of Delaware or the State of New Jersey or of any agency or political subdivision thereof. Neither the State of Delaware or the State of New Jersey nor the Authority shall be obligated to pay this bond, the interest or the redemption premium, if any, hereon except from tolls and other revenues and from the funds created under the Agreement, and neither the faith and credit nor the taxing power of the State of Delaware or the State of New Jersey or of any of their political subdivisions is pledged to the payment of the principal of, the interest or the redemption premium, if any, on this bond and the Authority has no power to pledge hereafter the credit or to create any debt or liability of the State of Delaware, of the State of New Jersey or of any other agency or of any political subdivision of said States.

This bond is one of a duly authorized series of revenue bonds of the Authority in an aggregate principal amount of One Hundred Twenty-Three Million, Seven Hundred Fifty-five Thousand Dollars (\$123,755,000), designated as "Delaware River and Bay Authority Revenue Bonds, Series 1993 (the "bonds") dated as of the 1st day of October, 1993, consisting of bonds maturing in annual installments on the 1st day of January in the years 1994 to 2010, inclusive (herein called the "serial bonds"), and of bonds maturing on the 1st day of January, 2017 and the 1st day of January, 2024 (herein called the "term bonds"), for the purpose of providing sufficient funds for the retirement of the outstanding Revenue Bonds of the Authority dated as of the 1st day of January, 1964 and the costs of various capital projects contained in approximately the first two years of the Authority's current Five-Year Capital Improvement Program. Said capital projects relate to the improvement, rehabilitation and expansion of the twin spans of the Delaware Memorial Bridge and the Cape May-Lewes ferry system and related facilities and appurtenances (the "Project").

All of the bonds are issued under and pursuant to a trust agreement, dated as of the 1st day of October, 1993, by and between the Authority and Wilmington Trust Company, in the City of Wilmington, Delaware, as trustee (said Wilmington Trust Company and any bank or trust company becoming successor trustee under the Agreement being herein called the "Trustee") as supplemented by Supplemental Trust Agreement Number 1 thereto, dated as of the 1st day of October, 1993, by and between the Authority and the Trustee (said agreements, together with all agreements supplemental thereto as therein permitted, being herein called the "Agreement"), an executed counterpart of which Agreement is on file at the principal office of

the Trustee. Reference is hereby made to the Agreement for the provisions, among others, with respect to the custody and application of the proceeds of bonds issued under the Agreement, the collection and disposition of revenues, the funds charged with and pledged to the payment of the interest on and the principal, and premium, if any, of the bonds, the nature and extent of the security, the terms and conditions on which the bonds of each series are or may be issued, the rights, duties and obligations of the Authority and of the Trustee, Paying Agent, Depositaries and the Bond Registrar for the Series 1993 Bonds and the rights of the registered holders of the bonds, and, by the acceptance of this bond, the registered holder hereof assents to all of the provisions of the Agreement.

The Agreement provides for the issuance, from time to time, under the conditions, limitations and restrictions therein set forth, of additional series of bonds for the purpose of (a) paying all or any part of the cost of or completing payment of the cost of (i) any structure or facility adapted for public use in crossing the Delaware River or the Delaware Bay between the State of Delaware and the State of New Jersey, whether by bridge, tunnel, ferry or other device, and by any vehicle or means of transportation of persons and property, including all approaches and connecting and service routes and appurtenances and equipment relating thereto, or any addition or improvement to, capital program associated with, or any enlargement or replacement of, any part of the Project, the Authority's existing Delaware Memorial Bridge, its Cape May-Lewes ferry system, or any additional crossing (collectively, the Authority's "Crossing Facilities"), or any other structure, facility or other enterprise that may be included in, or permitted by, the definition of the term "Crossing" contained in the Compact (defined in the paragraph below) from time to time or (ii) for the purpose of preventing a loss of Net Revenues (as defined in the Agreement) derived from such Crossing Facilities, provided that such loss of Net Revenues would be the result of an emergency or some unusual or extraordinary occurrence and that the proceeds of such additional series of bonds would not be used for such purpose to the extent that insurance proceeds relating to such an occurrence were then available, and (b) refunding bonds issued under the provisions of the Agreement and other indebtedness of the Authority. In addition, the Agreement provides for the issuance of parity indebtedness as well as subordinate obligations.

This bond is issued and the Agreement was made and entered into under and pursuant to the Constitution and laws of the State of Delaware, particularly Chapters 145 and 146, Volume 53, Laws of Delaware, approved by the Governor of the State of Delaware July 21, 1961 and Chapter 252, Volume 67, Laws of Delaware, approved by the Governor of Delaware June 28, 1990, and the Constitution and laws of the State of New Jersey, particularly Chapter 66 of the Pamphlet Laws of 1961 of the State of New Jersey, approved by the Governor of the State of New Jersey June 3, 1961 and Chapter 192 of the Pamphlet Laws of 1989 of the State of New Jersey, approved by the Governor of the State of New Jersey October 18, 1989, and a compact contained in said Delaware and New Jersey laws and consented to by a Joint Resolution of the Congress of the United States of America, approved September 20, 1962, as amended and consented to by a Joint Resolution of the Congress of the United States of America, approved

November 15, 1990 as the same may be further amended from time to time (collectively referred to herein as the "Compact"), and under and pursuant to resolutions duly adopted by the Authority.

The Agreement, in accordance with and as required by the Compact, provides for the fixing, revising, charging and collecting by the Authority of tolls for the use of the Crossing Facilities and for revising such tolls from time to time in order that such tolls and other revenues of the Crossing Facilities will be sufficient to provide funds to pay the cost of maintaining, repairing and operating the Crossing Facilities to the extent provided in the Agreement and to pay the principal of and the interest on all bonds issued under the Agreement as the same shall become due and payable. The Agreement also provides for the deposit of a sufficient amount of such tolls and other revenues, over and above such cost of maintenance, repair and operation, to the credit of a special fund designated "The Delaware River and Bay Authority Revenue Bonds Debt Service Fund" (herein called the "Debt Service Fund"), which fund is pledged to and charged with the payment of the principal of and the interest on all bonds issued under the Agreement.

The bonds are issuable as registered bonds without coupons in denominations of \$5,000 or any whole multiple thereof. At the principal office of the Bond Registrar, in the manner and subject to the limitations and conditions provided in the Agreement, bonds may be exchanged for an equal aggregate principal amount of bonds of the same series and maturity, of authorized denominations and bearing interest at the same rate.

The transfer of this bond is registrable by the registered owner hereof in person or by his attorney or legal representative at the principal corporate trust office of the Bond Registrar but only in the manner and subject to the limitations and conditions provided in the Agreement and upon surrender and cancellation of this bond. Upon any such registration of transfer the Authority shall execute and the Bond Registrar shall authenticate and deliver in exchange for this bond a new bond or bonds registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate. Neither the Authority nor the Bond Registrar shall be required to make any exchange or to register the transfer of any bond during the fifteen (15) days immediately preceding the date of the Authority's giving notice of redemption or after such bond has been selected for redemption.

The bonds of this series at the time outstanding may be redeemed prior to their respective maturities, as described below:
