Resolution 20-07 Executive Summary Sheet

Resolution: Authorizing Authority Expenditures Pursuant to Resolution 01-84 for the period January 1, 2020 through December 31, 2020.

Committee: Budget & Finance

Committee and Board Date: April 21, 2020

Purpose of Resolution:

Authorizes expenditures of \$25,000 or greater with the identified vendors during the 2020 calendar year.

Background for Resolution:

The proposed Resolution meets the requirements of Resolution 01-84, whereby the Authority shall not enter into any contract committing the Authority to spend or make any other expenditures relating to services, material and supplies in the amount of \$25,000 or more unless it has first been approved by a vote of Commissioners.

Background for the specific purchases:

AVAYA, Communications, Inc. c/o ConvergeOne: Authority-wide Phone System Service and Support

The Authority purchases AVAYA enterprise phone system support from ConvergeOne for its on-premises phone system. Purchases are made via a local authorized dealer (ConvergeOne) at their state contract price (*T1316 - Telecommunications Equipment & Services, Contract No. 80802*).

Chesapeake Pump and Electric: Replacement Fuel Line at WWD

The existing carbon-steel fuel line at Cape May Airport is failing due to rust contamination. The Authority intends to hire a contractor to convert the fuel line to stainless steel and also to inspect and replace existing valves, indicator, gauges, hoses, etc. Quotes were requested from four (4) local contractors. Chesapeake Pump submitted the lowest quote to complete the project.

Classification Definitions:

Cooperative Contract. A purchase of equipment, supplies or non-professional services which, under normal circumstances, would require competitive bidding, however the vendor has agreed to provide the goods or services to the Authority at fees less than or equal to that vendor's respective publicly-bid contract price for state and governmental entities. In accordance with Resolution 11-36, this purchase classification includes those "...purchases from cooperatives and/or the piggy-backing of existing publicly-bid contracts for state and governmental entities which State of Delaware or New Jersey may or may not individually publicly advertise

Quotes. A purchase of equipment, supplies or non-professional services or a contract for construction or construction management that is anticipated to cost between \$25,000 and \$49,999 during a calendar year and for which the Authority has solicited written quotes. *“Contracts for materiel and supplies and non-professional services, awarded to any [vendor for an amount of] more than \$25,000 but less than \$50,000 in the aggregate require the solicitation of three written quotes or all available sources, whichever is less... Construction management contracts or construction contracts...which are less than \$50,000 do not require formal solicitation of competitive prices and, if more than \$25,000 but less than \$50,000 require the solicitation of three written quotes or all available sources, whichever is less...”* (DRBA Resolution 98-31 Part 4).

State Contract. A purchase of equipment, supplies or non-professional services which, under normal circumstances, would require competitive bidding, however the vendor has agreed to provide the goods or services to the Authority at fees less than or equal to that vendor’s respective contract as awarded by the State of Delaware or New Jersey. *“Any contract for the purchase of materiel and supplies and non-professional services...which contract individually exceeds \$50,000, or in the combination with other contracts, exceeds \$50,000 in any one calendar year shall be pursuant to a contract entered into by the Authority after competitive bidding. This provision shall not apply to purchases by the Authority from suppliers in cases where the Authority is purchasing at prices pursuant to contracts awarded by the States of Delaware or New Jersey for state agencies.”* (DRBA Resolution 11-36 Part 2.a.).
