Authorization of the Bonds; Determination of 2003 Refunded Bonds. Pursuant to the authority granted to it by the Compact, the Authority hereby authorizes the issuance of its

Revenue Bonds, Series 2012A to be issued in one or more series or sub-series in an aggregate principal amount not to exceed \$150,000,000 (the “**2012A Bonds**”) and its Revenue Bonds, Refunding Series 2012B to be issued in one or more series or sub-series in an aggregate principal amount not to exceed \$80,000,000 (the “**2012B Bonds**”, and together with the 2012A Bonds, the “**Bonds**”), consisting of Current Interest Bonds that are Serial Bonds or Term Bonds or a combination thereof, dated as of such date, maturing on such dates in such years not later than January 1, 2043 and in such principal amounts and bearing interest at such rates, all as determined by agreement of the Executive Director and/or the Chief Financial Officer of the Authority (collectively, the “**Delegates**”) prior to the award of the Bonds; provided that the true interest cost rate on the Bonds shall not exceed 6.00% per annum. The Delegates are hereby authorized to determine which of the 2003 Refunding Candidates shall be 2003 Refunded Bonds subject to their receipt of the advice of the Authority’s Financial Advisor, Brown Advisory, LLC (the “**Financial Advisor**”), that the Authority will have surpassed the standard of an aggregate net present value debt service savings, as determined by the Financial Advisor, of not less than two and one-half percent (2.5%) of the aggregate principal amount of the 2003 Refunded Bonds. The terms of any such issuance of Bonds shall comply with the terms of this Resolution, except that the date of the Bonds, their series designation and the initial interest payment date of the Bonds may be changed to reflect the timing of the issuance, any such changes to be approved by the Delegates.

Authorization of Subsequent Issue of Revenue Bonds; Determination of 2005 Refunded Bonds. Any subsequent issue undertaken pursuant to the parameters of this Resolution is authorized, including, but not limited to, the subsequent issuance of revenue bonds for the purpose of: (i) financing the future costs of certain Additional Facilities representing the unfunded portion of Five-Year Capital Plan (for fiscal years ending December 31, 2015 through 2016, inclusive); (ii) refunding the 2005 Refunding Candidates; and (iii) paying the costs and/or funding reserves associated with issuing such revenue bonds. Any subsequent issuance of revenue bonds for purposes set forth in (i) above is limited to a maximum aggregate principal amount of \$50,000,000; provided, however, in no circumstance shall any Bonds, including any subsequent issue of revenue bonds, issued pursuant to this Resolution for purposes of financing Additional Facilities be issued in excess of the maximum aggregate principal amount of \$150,000,000 as set forth in Section 2 above.

The Delegates, with the consent of the Budget and Finance Committee of the Authority, are hereby authorized to determine which of the 2005 Refunding Candidates shall be 2005 Refunded Bonds subject to their receipt of the advice of the Authority’s Financial Advisor, that the Authority will have surpassed the standard of an aggregate net present value debt service savings, as determined by the Financial Advisor, of not less than two and one-half percent (2.5%) of the aggregate principal amount of the 2005 Refunded Bonds. The Bonds shall be subject to optional redemption at such times, upon such terms and conditions, and at such prices, all as determined by the unanimous agreement of the Delegates prior to the award of the Bonds; provided that the Bonds shall be subject to redemption prior to maturity at the option of the Authority on a date not later than January 1, 2023 and at a redemption price not to exceed 102%; provided further, however, that if the Authority’s Financial Advisor shall advise the Delegates that the incremental savings to be realized from the Authority’s extending the period during which the Bonds are not subject to redemption at the option of the Authority or making all or any of the Bonds not subject to redemption at the option of the Authority outweigh the value of the call options that could

otherwise apply with respect to such Bonds and the Delegates shall agree, then such Bonds (the Bonds with respect to which such determination shall be made that such incremental savings outweigh the value of the call options that could otherwise apply) shall not be subject to redemption, at the option of the Authority, for such extended period or periods or prior to their stated maturity, as the case may be.
