The Frequent Traveler discount plan requires customers to use 20 trips across the Delaware Memorial Bridge within a 90-day period. More than 18,700 motorists are enrolled in the Frequent Traveler discount plan.

The Delaware Memorial Bridge, which spans the Delaware River and connects two of the most heavily traveled highway corridors in the Northeast, is the bi-state agency's critical tolling asset and generates 80% of its operating revenue and 100% of net revenues.

About the Delaware River and Bay Authority

The DRBA, a bi-state governmental agency created by Compact in 1962, owns and operates the Delaware Memorial Bridge, the Cape May- Lewes Ferry, and the Forts Ferry Crossing. The DRBA also manages corporate and aviation properties through its economic development powers - two airports in New Jersey (Millville Airport and Cape May Airport) and three in Delaware (New Castle Airport, Civil Air Terminal and Delaware Airpark). All DRBA operating revenues are generated through the bridge, ferry and airport facilities. For more information, visit www.drba.net.
