2039*	7,060,000	2044*	7,595,000

* Unamortized principal at stated maturity.

At its option, to be exercised not less than forty-five (45) days prior to each such applicable Principal Payment Date, the Authority may (a) deposit monies with the Trustee to be used to purchase the 2014A Term Bonds or direct the Trustee to cause monies in the respective Debt Service Funds for the 2014A Bonds to be used for such purchases, at a price not exceeding the principal amount thereof plus accrued interest to such applicable Principal Payment Date, or (b) receive a credit against the Amortization Requirements for the 2014A Term Bonds which prior to such date have been purchased by the Authority and presented to the Trustee for cancellation or redeemed (otherwise than in satisfaction of prior Amortization Requirements) and canceled by the Trustee and, in either case, not theretofore applied as a credit against any Amortization Requirement. Such 2014A Term Bonds so purchased, delivered or previously redeemed will be credited by the Trustee at 100% of the principal amount thereof against the current Amortization Requirement with respect to the 2014A Term Bond due on the same date as the Bond so purchased, delivered or previously redeemed and canceled. Any excess over such

current Amortization Requirement will be credited against the future Amortization Requirements of the 2014A Term Bond with the same maturity date in such manner as the Authority shall determine, and the principal amount of the 2014A Term Bond with such maturity date to be redeemed by mandatory sinking fund redemption will be reduced accordingly.

(d) **Optional Redemption.** The 2014 Bonds maturing on or prior to January 1, 2024 may not be called for redemption prior to its stated maturity date.

On and after January 1, 2024, the 2014 Bonds maturing on or after January 1, 2025 may be called for redemption prior to maturity at the option of the Authority, from any moneys that may be made available for such purpose, other than moneys set aside in respect of an Interest Requirement, Principal Requirement or Amortization Requirement, in whole or in part at any time, and if in part, as the Authority may direct, at the redemption price of par, plus interest accrued to the date fixed for redemption.

Any notice of optional redemption of the 2014 Bonds may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the redemption price, consisting of par and the applicable redemption premium, if any, plus interest accrued and unpaid to the redemption date (the “**Redemption Price**”), and any conditional notice so given may be rescinded at any time to and including the redemption date if such condition so specified is not satisfied. If a redemption does not occur after a conditional notice is given due to an insufficient amount of funds being on deposit with the Trustee to pay the Redemption Price, the corresponding notice of redemption shall be deemed to have been revoked *nunc pro tunc*.

If the Authority gives an unconditional notice of redemption, then on the redemption date the 2014 Bonds called for redemption will become due and payable at the Redemption Price. If the Authority gives a conditional notice of redemption and money to pay the Redemption Price of the affected 2014 Bonds shall have been set aside in escrow with the Trustee for the purpose of paying such 2014 Bonds, then on the redemption date the 2014 Bonds so called for redemption shall become due and payable. In either case, if on the redemption date the Trustee holds money to pay the Redemption Price of the 2014 Bonds called for redemption, thereafter, no interest will accrue on those 2014 Bonds, and a Bondholder’s right will be to receive payment of the Redemption Price upon surrender of its 2014 Bonds so called for redemption.

(e) **Form of 2014 Bonds.** The definitive 2014 Bonds issued under the provisions of this Supplemental Agreement shall be in substantially the form set forth in Appendix A, attached hereto. The 2014 Bonds shall be issued in registered form without coupons in the name of Cede & Co., as nominee of The Depository Trust Company, and which shall be numbered from R-1 upwards.

The Delaware River and Bay Authority (herein sometimes called the “**Authority**”), a body politic and an agency of government of the State of Delaware and the State of New Jersey, for value received, hereby promises to pay, but solely from the funds provided therefor as hereinafter set forth and in the manner hereinafter provided, to the registered owner hereof named above, or registered assigns on the Maturity Date set forth above (or earlier as hereinafter referred to), upon the presentation and surrender hereof, at the principal corporate trust office of The Bank of New York Mellon Trust Company, N.A., in East Syracuse, New York (the “**Bond Registrar**”), in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, the Principal Amount set forth above and interest on such Principal Amount from the Dated Date set forth above at the Interest Rate stated above per annum until said Principal Amount is paid, such interest to the maturity hereof being payable semi-annually on the 1st day of January and July in each year, commencing January 1, 2015, solely from such sources, from the date hereof or the January 1 or July 1 next preceding the date on which this bond is authenticated, unless it is authenticated on January 1, or July 1, in which event from such date, at the Interest Rate set forth above. The interest so payable and punctually paid or duly provided for on any Interest Payment Date will, as provided in the Agreement hereinafter referred to, be paid by wire transfer or by check mailed to the person in whose name this bond (or one or more predecessor bonds, as defined in the Agreement) is registered at the close of business on the regular record date for such interest, which shall be the June 15 or December 15 next preceding any such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered owner on such regular record date, and may be paid to the person in whose name this bond (or any predecessor bond) is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee hereinafter referred to, notice whereof being given by the Trustee by mail to the registered owners not less than 10 days prior to such special record date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the bonds of this series

Such payment of interest shall be by wire transfer or by check mailed to the registered owner at such owner's address as it appears on the bond registration books of the Authority maintained by the Bond Registrar and shall be made in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts.

This bond shall not be deemed to pledge the credit of the State of Delaware or the State of New Jersey or of any agency or political subdivision thereof or to create a debt or liability of the State of Delaware or the State of New Jersey or of any agency or political subdivision thereof. Neither the State of Delaware or the State of New Jersey nor the Authority shall be obligated to pay this bond or the interest or the redemption premium, if any, hereon except from tolls and other revenues and from the funds created under the Agreement, and neither the faith and credit nor the taxing power of the State of Delaware or the State of New Jersey or of any of their political subdivisions is pledged to the payment of the principal of or the interest or the redemption premium, if any, on this bond and the Authority has no power to pledge hereafter the credit or to create any debt or liability of the State of Delaware, of the State of New Jersey or of any other agency or of any political subdivision of said States.

The dated date of the 2014 Bonds is [*For the 2014A Bonds and the 2014B Bonds*: July 24, 2014 / *for the 2014C Bonds*: October 7, 2014].

All of the bonds are issued under and pursuant to a Trust Agreement, dated as of the 1st day of October, 1993 (the "**Trust Agreement**"), by and between the Authority and Wilmington Trust Company, in the City of Wilmington, Delaware, as the original trustee (the "**Original Trustee**") as supplemented by Supplemental Trust Agreement Numbers 1, 2, 3, 4, 5, 6, 7 and 8 between the Authority and the Original Trustee and as further supplemented by Supplemental Trust Agreement Number 9, dated as of November 1, 2012, by Supplemental Agreement Number 10, dated June 26, 2014, and by Supplemental Agreement Number 11, dated as of July 1, 2014, by and between the Authority and The Bank of New York Trust Company, N.A., as successor Trustee (said The Bank of New York Mellon Trust Company, N.A. and any bank or trust company becoming successor trustee under the Trust Agreement being herein called the "**Trustee**") (said Trust Agreement, together with all such Supplemental Trust Agreements and all other agreements supplemental to said Trust Agreement as therein permitted, being herein called the "**Agreement**"), an executed counterpart of which Agreement is on file at the principal office of the Trustee. Reference is hereby made to the Agreement for the provisions, among others, with respect to the custody and application of the proceeds of bonds issued under the Agreement, the collection and disposition of revenues, the funds charged with and pledged to the

payment of the interest on and the principal and premium, if any, of the bonds, the nature and extent of the security, the terms and conditions on which the bonds of each series are or may be issued, the rights, duties and obligations of the Authority and of the Trustee, Paying Agent, Depositaries and Bond Registrar for the bonds and the rights of the registered holders of the bonds, and, by the acceptance of this bond, the registered holder hereof assents to all of the provisions of the Agreement.

Under the Agreement, the Authority has previously issued certain series of its Revenue Bonds, which are payable from the Debt Service Fund (hereinafter mentioned) on a parity with the 2014 Bonds, and any additional series of bonds issued, from time to time, under the conditions, limitations and restrictions set forth in the Agreement, for the purpose of (a) paying all or any part of the cost of or completing payment of the cost of (i) any structure or facility adapted for public use in crossing the Delaware River or the Delaware Bay between the State of Delaware and the State of New Jersey, whether by bridge, tunnel, ferry or other device, and by any vehicle or means of transportation of persons and property, including all approaches and connecting and service routes and appurtenances and equipment relating thereto, or any addition or improvement to, capital program associated with, or any enlargement or replacement of, any part of the Project, the Authority's existing Delaware Memorial Bridge, its Cape May-Lewes ferry system, or any additional crossing (collectively, the Authority's "Crossing Facilities"), or any other structure, facility or other enterprise that may be included in, or permitted by, the definition of the term "Crossing" contained in the Compact (hereinafter mentioned) from time to time or (ii) any Additional Facilities (as defined in the Agreement) for the purpose of preventing a loss of Net Revenues (as defined in the Agreement) derived from such Crossing Facilities, provided that such loss of Net Revenues would be the result of an emergency or some unusual or extraordinary occurrence and that the proceeds of such additional series of bonds would not be used for such purpose to the extent that insurance proceeds relating to such an occurrence were then available, and (b) refunding bonds issued under the provisions of the Agreement and other indebtedness of the Authority. In addition, the Agreement provides for the issuance of parity indebtedness as well as subordinate obligations.

This 2014 Bond is issued and the Agreement was made and entered into under and pursuant to the Constitution and laws of the State of Delaware, particularly Chapters 145 and 146, Volume 53, Laws of Delaware, approved by the Governor of the State of Delaware on July 21, 1961 and Chapter 252, Volume 67, Laws of Delaware, approved by the Governor of Delaware on June 28, 1990, and the Constitution and laws of the State of New Jersey, particularly Chapter 66 of the Pamphlet Laws of 1961 of the State of New Jersey, approved by the Governor of the State of New Jersey on June 3, 1951 and Chapter 192 of the Pamphlet Laws of 1989 of the State of New Jersey, approved by the Governor of the State of New Jersey on October 18, 1989, and a compact contained in said Delaware and New Jersey laws and consented to by a Joint Resolution of the Congress of the United States of America, approved September 20, 1962, as amended and consented to by a Joint Resolution of the Congress of the United States of America, approved on November 15, 1990 as the same may be further amended from time to time (collectively referred to herein as the "Compact"), and under and pursuant to a resolution duly adopted by the Authority.

The Agreement, in accordance with and as required by the Compact, provides for the fixing, revising, charging and collecting by the Authority of tolls for the use of the Crossing

Facilities and for revising such tolls from time to time in order that such tolls and other revenues of the Crossing Facilities will be sufficient to provide funds to pay the cost of maintaining, repairing and operating the Crossing Facilities to the extent provided in the Agreement and to pay the principal of and the interest on all bonds issued under the Agreement as the same shall become due and payable. The Agreement also provides for the deposit of a sufficient amount of such tolls and other revenues, over and above such cost of maintenance, repair and operation, to the credit of a special fund designated "The Delaware River and Bay Authority Revenue Bonds Debt Service Fund" (herein called the "**Debt Service Fund**"), which fund is pledged to and charged with the payment of the principal of and the interest on all bonds issued under the Agreement.

The 2014 Bonds are issuable as registered bonds without coupons in denominations of \$5,000 or any whole multiple thereof. At the principal office of the Bond Registrar, in the manner and subject to the limitations and conditions provided in the Agreement, 2014 Bonds may be exchanged for an equal aggregate principal amount of bonds of the same series and maturity, of authorized denominations and bearing interest at the same rate.

The transfer of this 2014 Bond is registrable by the registered owner hereof in person or by his attorney or legal representative at the principal corporate trust office of the Bond Registrar but only in the manner and subject to the limitations and conditions provided in the Agreement and upon surrender and cancellation of this bond. Upon any such registration of transfer the Authority shall execute and the Bond Registrar shall authenticate and deliver in exchange for this bond a new bond or bonds registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate. Neither the Authority nor the Bond Registrar shall be required to make any exchange or to register the transfer of any bond during the fifteen (15) days immediately preceding the date of the Authority's giving notice of redemption or after such bond has been selected for redemption.

The 2014 Bonds of this series at the time outstanding may be redeemed prior to their respective maturities, as described below:

Optional Redemption: [For the 2014A Bonds: On and after January 1, 2024, the 2014 Bonds may be called for redemption prior to maturity at the option of the Authority, from any moneys that may be made available for such purpose, other than moneys set aside in respect of an Interest Requirement, Principal Requirement or Amortization Requirement for other bonds, in whole or in part at any time, and if in part, as the Authority may direct, at par, plus interest accrued to the date fixed for redemption.]

[For the 2014B Bonds: The 2014 Bonds are not subject to optional redemption prior to maturity.]

[For the 2014C Bonds: The 2014 Bonds maturing on or prior to January 1, 2025 may not be called for redemption prior to their stated maturity dates.

On and after January 1, 2024, the 2014 Bonds maturing on or after January 1, 2025 may be called for redemption prior to maturity at the option of the Authority, from any moneys that

may be made available for such purpose, other than moneys set aside in respect of an Interest Requirement, Principal Requirement or Amortization Requirement for other bonds, in whole or in part at any time, and if in part, as the Authority may direct, at par, plus interest accrued to the date fixed for redemption.]

[For 2014A Term Bond – Amortization Requirements: The 2014 Bonds constituting term bonds shall be subject to redemption prior to maturity at a redemption price equal to the principal amount thereof, plus interest accrued to the date fixed for redemption as follows:

2014 Term Bond due January 1, 2039

<u>Due</u>	<u>January 1</u>	<u>Amortization Requirements</u>
2035		\$6,005,000
2036		6,255,000
2037		6,510,000
2038		6,785,000
2039*		7,060,000

* Unamortized principal at stated maturity.

2014 Term Bond due January 1, 2044

<u>Due</u>	<u>January 1</u>	<u>Amortization Requirements</u>

2043		7,235,000
2044*		7,595,000

* Unamortized principal at stated maturity.]

[For 2014A Bonds and 2014C Bonds: If less than all of the 2014 Bonds of any one maturity shall be called for redemption, the particular 2014 Bonds or portions of registered 2014 Bonds to be redeemed from such maturity shall be selected by lot in such manner as the Trustee deems fair and appropriate as provided in the Agreement.

At least 30 days but no more than 60 days before the redemption date of any 2014 Bonds, a notice of any such redemption will be mailed, first class, postage prepaid, to all registered owners of 2014 Bonds to be redeemed as a whole or in part, but any defect in such notice or the failure so to mail any such notice to the registered owner of any bond shall not affect the validity of the proceedings for the redemption of any other bonds. Such notice shall be given in the name of the Authority, shall identify the 2014 Bonds to be redeemed and, in the case of a partial redemption of any 2014 Bonds, the respective principal amounts thereof to be redeemed, shall specify the redemption date and the Redemption Price (as defined herein), and shall state that on the redemption date the 2014 Bonds called for redemption will be payable at the principal corporate trust office of the Trustee and that from the date of redemption interest will cease to accrue. The

Trustee shall use CUSIP numbers (if then generally in use) in notices of redemption as a convenience to bond owners, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the 2014 Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-" printed on the 2014 Bonds. Failure to mail any notice of redemption, or any defect therein, or in the mailing thereof, with respect to any Bond shall not affect the validity of any proceeding for redemption of other Bonds so called for redemption. On the date fixed for redemption, notice having been mailed in the manner provided in the Agreement, the 2014 Bonds or portions thereof called for redemption shall be due and payable at par, plus accrued interest to such date. If a portion of this 2014 Bond shall be called for redemption, a new 2014 Bond or Bonds in principal amount equal to the unredeemed portion hereof, of the same maturity and bearing interest at the same rate will be issued to the registered owner upon the surrender hereof.

Any notice of optional redemption of the 2014 Bonds may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the redemption price, consisting of par and the applicable redemption premium, if any, plus interest accrued and unpaid to the redemption date (the "**Redemption Price**"), and any conditional notice so given may be rescinded at any time to and including the redemption date if such condition so specified is not satisfied. If a redemption does not occur after a conditional notice is given due to an insufficient amount of funds on deposit with the Trustee to pay the Redemption Price, the corresponding notice of redemption shall be deemed to have been revoked *nunc pro tunc*.

If the Authority gives an unconditional notice of redemption, then on the redemption date the 2014 Bonds called for redemption will become due and payable at the Redemption Price. If the Authority gives a conditional notice of redemption and money to pay the Redemption Price of the affected 2014 Bonds shall have been set aside in escrow with the Trustee for the purpose of paying such 2014 Bonds, then on the redemption date the 2014 Bonds so called for redemption shall become due and payable. In either case, if on the redemption date the Trustee holds money to pay the Redemption Price of the 2014 Bonds called for redemption, thereafter, no interest will accrue on those 2014 Bonds, and a Bondholder's right will be to receive payment of the Redemption Price upon surrender of its 2014 Bonds so called for redemption.]

The registered holder of this 2014 Bond shall have no right to enforce the provisions of the Agreement or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Agreement, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Agreement.

In certain events, on the conditions, in the manner and with the effect set forth in the Agreement, the principal of all the bonds then outstanding under the Agreement may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Agreement or of any agreement supplemental thereto may be made by the Authority and the Trustee only to the extent and in the circumstances permitted by the Agreement.

All acts, conditions and things required by the constitutions and laws of the State of Delaware and the State of New Jersey and the Compact to happen, exist and be performed precedent to and in the issuance of this bond and the execution of the Agreement have happened, exist and have been performed as so required.

This 2014 Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Agreement until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, The Delaware River and Bay Authority, by its Board of Commissioners as the governing body thereof, has caused this bond to bear the manual or facsimile signatures of the Chairman, the Vice-Chairman and the Assistant Secretary of the Authority, and a facsimile of the official and corporate seal of said Authority to be imprinted hereon, all as of the [*For the 2014A Bonds and 2014B Bonds: 24th day of July, 2014*] / [*For the 2014C Bonds: 7th day of October, 2014*].
