

10389. RESOLUTION 11-22 - ADOPTS A REVISED TOLL SCHEDULE FOR THE DELAWARE MEMORIAL BRIDGE

WHEREAS, The Delaware River and Bay Authority (the “Authority”) has evaluated scenarios, alternatives and projections of future revenues and toll requirements of the Authority for the period 2011 through 2015; and

WHEREAS, future revenues based upon present toll schedules will be insufficient to fulfill Authority obligations to maintain, upgrade, and expand its facilities to provide safe and efficient transportation in and between the states of Delaware and New Jersey; and

WHEREAS, the toll schedule attached hereto as Attachment A has been proposed for the Delaware Memorial Bridge (the “DMB”); and

WHEREAS, the Authority has concluded that the revised toll schedule attached hereto is necessary to meet the financial needs of the Authority and specifically to generate revenue sufficient to support its activities and to provide sufficient coverage for financing; and

WHEREAS, the Authority has not increased the volume discount rates offered at the DMB since 1987, and having evaluated discounts offered along the I-95 Northeast Corridor has concluded that it is reasonable and appropriate to maintain volume discount classifications at the DMB; and

WHEREAS, the Authority has further concluded that the revised toll schedules are fair to bridge users and are in the public interest; and

WHEREAS, based on the foregoing, the Authority has concluded that the revised toll schedules are reasonable and just, and are necessary, proper, and desirable.

NOW, THEREFORE, BE IT RESOLVED, that the revised toll schedule attached hereto, be approved and placed into operation effective July 1, 2011, with respect to DMB tolls.

A motion to approve Resolution 11-22 was made by Commissioner Dorn, seconded by Commissioner Smith, and approved by a roll call vote of 9-0.
