

10951. RESOLUTION 15-12 - AUTHORIZES AND ADOPTS A PREVAILING WAGE POLICY FOR ALL AUTHORITY FUNDED CAPITAL PROJECTS IN EXCESS OF TWO MILLION DOLLARS

WHEREAS, The Delaware River and Bay Authority (the “Authority”) is a bi-state Public Authority created by Compact for the purpose of owning and operating both Crossing and non-Crossing facilities (the “Facilities”); and

WHEREAS, the Authority currently incorporates prevailing wage requirements in all Authority projects receiving Federal or State funding; and

WHEREAS, the Authority previously adopted a prevailing wage policy for a series of one, two and three-year trial periods via Resolutions 04-17, 05-10, 07-18, 9-22, 11-02, and 12-18, for all Authority-funded capital projects in excess of Two Million (\$2,000,000) Dollars, the final trial period extending through May 2015; and

WHEREAS, the Authority’s practice in implementing said prevailing wage policy (“Prevailing Wage Policy”) is to utilize the higher of the New Jersey or federal prevailing wage rates for each job classification on jobs in New Jersey and the higher of the Delaware or federal prevailing wage rates for each job classification on jobs in Delaware; and

WHEREAS, in addition to experience gained during the aforesaid trial periods, the Authority has looked to the experience of other contracting units in New Jersey and Delaware along with other bi-state agencies with respect to policies implementing prevailing wage policies; and

WHEREAS, said experience supports the establishment of a reasonable threshold to the application of prevailing wage in capital projects, it being recognized that the application of prevailing wage in contracts of lesser value may limit the pool of interested, responsible bidders on such projects; and

WHEREAS, the Authority supports the implementation of prevailing wage to Authority funded capital projects but subject to a reasonable threshold necessary to maximize bidder participation and preserve open and full competition in projects of smaller scale;

WHEREAS, the Authority desires to adopt a prevailing wage policy for all Authority-funded capital projects in excess of Two Million (\$2,000,000) Dollars.

NOW, THEREFORE, BE IT RESOLVED, that the Executive Director, working with the advice and consent of Counsel, is hereby authorized and directed to hereafter incorporate the Prevailing Wage Policy into contract specification documents for all Authority-funded capital projects in excess of Two Million (\$2,000,000) Dollars.

A motion to approve Resolution 15-12 was made by Commissioner Lathem and seconded by Commissioner Murphy. Resolution 15-12 was approved by a roll call vote of 10-0.
