The lane closure activity will start on Monday, October 14, 2024 at 10:00 p.m., with the three right lanes closed until 6:00 a.m., with the same nighttime lane closure schedule set for Sunday, Monday, Tuesday, and Wednesdays during the month of October. During daytime two lanes will be closed on Mondays, Tuesdays, and Wednesdays between 6:00 a.m. and 9 p.m. during the month of October. Day and night onsite towing capability will be strategically stationed to assist with incidents as they arise.

The construction work is weather dependent and will be postponed should inclement conditions occur. The DRBA has designed the project for as few delays as possible; however, some delays should be expected. The safety of the traveling public and on-site highway contractors is the agency's highest priority. The posted speed limit of 35 mph in the construction zone will be strictly enforced. Motorists are urged to be careful and stay alert in and around construction zones and obey all posted speed limit signs.

**About the Delaware River and Bay Authority**

The DRBA, a bi-state governmental agency created by Compact in 1962, owns and operates the Delaware Memorial Bridge, the Cape May- Lewes Ferry, and the Forts Ferry Crossing. The DRBA also manages two airports in New Jersey (Millville Executive Airport and Cape May Airport) and three in Delaware (Wilmington Airport, Civil Air Terminal and Delaware Airpark). All DRBA operating revenues are generated through the bridge, ferry and airport facilities. For more information, visit [www.drba.net](http://www.drba.net).
